

**CORNER BROOK PULP & PAPER LIMITED
FIVE YEAR OPERATING PLAN AMENDMENT**

FMD:	<u>08</u>	Plan Period:	<u>Crown Limits 2003 - 2008</u>
Operating Area:	<u>Salmon Pond</u>	Inventory Map #:	<u>065</u>
Harvest Area #:	<u>K-08-01</u>	NTS Map #:	<u>2E02</u>
		Primary Road:	<u>0.0 km</u>

Forest Inventory

Gross:	Net:	Working Group:
Volume: <u>29,186 m³</u>	Volume: <u>23,349 m³</u>	bF: <u>18%</u>
Area: <u>240 ha</u>	Area: <u>240 ha</u>	bS: <u>82%</u>

Operational Considerations:

Harvest System:	<u>Mechanical / Conventional</u>
Terrain Conditions:	<u>Rolling terrain, dry well drained sandy soils.</u> <u>Areas of scrub, and bog break the merchantable forest.</u>

Other Considerations:

- Wildlife - Regular meetings with DNR and IFWD to review annual operating plans. Wildlife Habitat Corridors designed in consultation with IFWD and DNR.
- Water - Regulatory 20 meter buffers, 100 meter buffers on main stem of salmon rivers, 30 meter no grub zones, guidelines for working inside protected watersheds.
- Outfitters- Harvest and road construction scheduling to avoid conflicts, all outfitting locations plotted on CBPP harvest maps for planning purposes.
- Ecotourism - Continued consultation with Gander River Management Association. Public access to all Company built roads.
- Sawmills- Sawlog exchange agreement will continue.
Commercial and domestic hardwood permits available for CBPP limits.
- Recreation - Public access to all company built roads, regular meetings with local snowmobile clubs. Approval process for cottage development on CBPP limits.
- Mining - Approval process to allow mining and quarry activities on CBPP limits.
